# COMPASS

## PATHFINDER PROGRAM

*Your Path. Your Future.*

More than 85% of young adults with intellectual and developmental disabilities (IDD) hope to work following graduation from high school, but according to the Bureau of Labor Statistics, only 19% of them will achieve that goal.

We believe jobs open doors – to community participation, confidence, and financial independence.

Our innovative new program, Compass Pathfinder, is dedicated to providing students with IDD the work experience, guidance and supports they need to secure meaningful work after graduation.
