

Upcoming Events

All activities require membership in the Milestones Self-Advocate Social Group unless otherwise specified. More information about the Milestones Self-Advocate Social Group can be found at:

<https://www.milestones.org/services/ohio-family-network/social-media-groups>

To register for the Self-Advocate Discord Social Site, or for more information, please email Nathan at nmorgan@milestones.org

How We Advocate: An Open Discussion on Self-Advocacy

Wednesday, November 18th 2:00pm – 3:00pm

Are you thriving in your daily life? Struggling? Looking for suggestions? Join us for an open discussion on how you advocate at home and in your community. We'll be discussing what works for us, what we might need help on, and receive helpful tips from fellow advocates. This virtual session requires registration with the Self-Advocate Discord Social Site to attend.

Animal Crossing Meet & Greet

Friday, November 13th 5:00pm-7:00pm

Thursday, November 19th 5:00pm – 7:00pm

Join us twice this month on our tropical island adventure as we build friendships while exploring and creating our own island paradises.

For this activity, you should have:

- ☐ Nintendo Switch
- ☐ Animal Crossing: New Horizons
- ☐ Nintendo Online Subscription

*Individuals without a copy of the game can still participate in this social activity via

Discord Voice Chat, but may miss out on certain aspects of the social experience.

Arts & Crafts: Show and Tell

Sunday, November 15th from 2:00pm – 3:00pm

Join our Arts & Crafts Community Mentor, Amy Kleinman, for a fun activity. This month we welcome all of our talented artists and crafters to share their latest, greatest, and/or most favorite creations they've made and the techniques they use. Not an artist or crafter? You can still join us for conversation and can even learn some beginner friendly tips.

Monthly Minecraft

Saturday, November 14th 2:00pm-3:00pm

Tuesday, November 24th 6:00pm – 8:00pm

Come build with us for our Monthly Minecraft Days! Each month we will be meeting to play Minecraft together as a group and to chat in Discord.

For this activity you should have:

- ☐ Minecraft for the Nintendo Switch, PS4, XboxOne, or PC (Bedrock Edition)
- ☐ For information on how to setup Minecraft cross-system play:
<https://www.polygon.com/guides/2020/8/7/21289215/minecraft-how-to-play-with-friends-other-platforms-cross-play-pc-xbox-switch-mobile-ios-android>

*Individuals without a copy of the game can still participate in this social activity via Discord Voice Chat, but may miss out on certain aspects of the social experience.
