

Community Engagement Night

Sibling Panel

Beachwood Family Health and Surgery Center
Monday, July 23 | 6:00 pm to 7:30 pm

Presented by the Cleveland Clinic Children's Center for Autism.

Please join us for an evening dedicated to siblings of individuals diagnosed with autism spectrum disorder. This event is intended for both parents and/or siblings to attend if they wish to gain more information about the sibling experience. We encourage parents and/or siblings to participate in the discussion at this event; however, no child care will be available for children who are unable to participate.

No cost event.
