

PROGRAM OVERVIEW:

Students are assigned several job sites during the seven week course where they work morning shifts from 9AM-2PM MONDAY-THURSDAY. During this time support and guidance will be provided either directly or intermittently by job site supervisors. A weekly academic supervisor will meet with each student and provide a job review and an evaluation of goals set by the student and academic advisor.

EXECUTIVE FUNCTIONING SKILLS:

Students will participate in executive functioning and communication skills on FRIDAYS from 2PM-4PM. Instructional themes include:

- Communication in the workplace
- Social engagement in the workplace
- Management of stress on the job
- Organization, time management and planning
- Emotional control
- Adaptability to changing conditions
- Relationship building

OUR MISSION:

To help individuals with disabilities make a successful integration into their communities and to assist students in becoming productive, employable and independent members of society.
